GOVERNMENT OF MYSORE Medl 29-02

Submitted to His Highness -

There are two confidential reports which are sent to the Honble the Resident every year regarding the Senior Surgeon Col Benson, and the Surgeon of the Victoria Hospital Col Smyth.

The opinions which were submitted last year are also submitted.

The same may in my opinion be repeated this year. As I see no reason to alter that opinion they would be as follows.

Col Benson.

"Lt. Colonel Benson has maintained his claim for a favorable opinion regarding his intelligence, ability, self reliance and efficiency. As the Head of the Medical Department he has brought much Zeal and judgment to bear on his work and he is certainly fit to be advanced further. His work under this Government is satisfactory."

Col Smyth: "Lt Colonel J. Smyth is an excellent Medical Officer both professionally and from administrative point of view. He enjoys the confidence of the public and is respected by all. I have much pleasure in endorsing every word of what the Senior Surgeon has said of this able Officer."
